Chiang Mai Doi Inthanon / Full Day Tour

Highlights: Doi Inthanon National Park / Royal Pagodas / Royal Agricultural Station Inthanon / Vachiratharn Waterfall (Lunch)

08:00 am. Pick up from the hotel.

Embark on a memorable journey from Chiang Mai to the captivating Doi Inthanon National Park. Your first stop is the Royal Agricultural Station Inthanon, a mesmerizing research station dedicated to winter plants. Here, you'll be enchanted by the vibrant flower plots and diverse varieties of vegetables and fruits. The station conducts vital research on flowers, ornamental plants, highland fisheries, and more, contributing to social development, forest watershed conservation, and the promotion of sustainable practices. The project also plays a crucial role in generating income for the families of hill tribe farmers residing in the nearby villages.

Next, prepare to be awestruck by the majestic Wachirathan Waterfall, a towering single-tiered cascade renowned as one of Thailand's most stunning waterfalls. Throughout the year, its waters flow gracefully into the basin below, reaching an impressive height of 70 meters. During the rainy season, the sun-kissed spray creates delightful rainbows, adding to the waterfall's allure and making it a truly enchanting sight.

Lunch at the restaurant.

Venture to the Twin Royal Pagodas, Napamethanidol, and Napapolpumisiri, nestled atop a high hill within Doi Inthanon National Park. These architectural marvels were constructed in honor of His Majesty King Bhumibol Adulyadej Rama 9's 60th anniversary in 1987 and to commemorate Her Majesty Queen

Sirikit's auspicious 5th birthday anniversary on August 12, 1992, with the collaboration of the Air Force and the Thai people. The pagodas are set amidst splendid winter flower gardens and a diverse array of plants, creating a picturesque landscape. From this vantage point, you'll be treated to breathtaking panoramic views, considered among the most beautiful viewpoints in Chiang Mai. The cool weather prevailing throughout the year enhances this delightful experience.

Your adventure continues to the summit of Doi Inthanon, the highest peak in Thailand, soaring at an altitude of 2,565 meters above sea level. As a part of the Thanon Thongchai Mountain range, which extends from the Himalayas through several countries, including Nepal, Bhutan, and Myanmar, this region boasts a rich tapestry of climate and forest types. As you ascend, you'll traverse rain forests, pine forests, and mixed forests, each offering a unique ecological experience. At the peak, you'll be rewarded with breathtaking panoramic vistas, a testament to the mountain's allure that draws visitors from all corners of the globe.
