Chiang Mai Kew Mae Pan / Full Day Tour

Highlights: Doi Inthanon National Park / Royal Pagodas / Wachiratharn Waterfall / Kew Mae Pan Nature Trail (Lunch)

08:00 AM. Pick up from the hotel.

Depart from Chiang Mai and venture into the natural splendor of Doi Inthanon National Park. Your first stop is the awe-inspiring Wachirathan Waterfall, a grand, single-tiered cascade renowned for its exceptional beauty. As one of Thailand's most enchanting waterfalls, it flows gracefully throughout the year, with water cascading 70 meters into the basin below. During the rainy season, the interplay of water droplets and sunlight creates frequent rainbows, adding to the waterfall's allure and making it a truly mesmerizing sight.

Next, immerse yourself in the architectural marvels of the Twin Royal Pagodas, Napamethanidol, and Napapolpumisiri, perched atop a high hill within Doi Inthanon National Park. These pagodas were collaboratively built by the Air Force and people from across Thailand to commemorate the 60th anniversary of His Majesty King Bhumibol Adulyadej Rama 9 in 1987 and to honor Her Majesty Queen Sirikit on her auspicious 5th birthday anniversary on August 12, 1992. The pagodas are surrounded by exquisitely decorated winter flower gardens and a diverse array of plants. With cool weather prevailing throughout the year, this spot offers spectacular panoramic views, making it one of the most stunning viewpoints in Chiang Mai.

Lunch at the restaurant.

Continue your exploration to Doi Inthanon, the highest peak in Thailand, standing tall at an elevation of 2,565 meters above sea level. Part of the Thanon Thongchai Mountain range, which stretches from the Himalayas through countries like Nepal,

Bhutan, and Myanmar, this region boasts abundant biodiversity and varied climates. Tourists can experience the beauty of rainforests, pine forests, and mixed forests as they ascend the mountain. Once at the peak, they'll be rewarded with breathtaking panoramic vistas, a testament to Doi Inthanon's irresistible allure that attracts visitors from around the world.

Embark on the Kew Mae Pan Nature Trail, a short yet spectacular circular walking trail at an altitude of approximately 2,000 meters above sea level. This trail is considered another gem among Doi Inthanon National Park's beautiful viewpoints. As you walk, you'll traverse lush green forests adorned with ferns, moss, and a variety of plants. The trail leads to a ridge with a viewpoint that offers stunning vistas of vast grasslands, where the bright blue sky meets the golden fields, and the cold wind gently sways the grass. The sight of the intricate mountain ranges stretching to the horizon creates a breathtaking scene. Allow approximately 2-3 hours to complete the Kew Mae Pan Nature Trail, savoring every moment of its natural beauty.

00:00 As the day comes to an end, return to Chiang Mai, where you'll be transferred back to your hotel, cherishing the memories of this extraordinary journey through Doi Inthanon's pristine landscapes.
