### Chiang Mai Pha Dok Sieo / Full Day Tour

Highlights: Doi Inthanon National Park / Royal Pagodas / Wachiratharn Waterfall / Pha Dok Sieo Nature Trail (Lunch)

08:00 AM. Pick up from the hotel.

Depart from Chiang Mai and set your sights on the magnificent Doi Inthanon National Park. Your first stop is the breathtaking Wachirathan Waterfall, a majestic single-tiered cascade celebrated as one of Thailand's most stunning waterfalls with water flowing all year round. The waterfall cascades gracefully into the basin below, standing tall at an impressive height of 70 meters. During the rainy season, the interplay of sunlight and water droplets creates frequent rainbows, adding an enchanting touch to the already awe-inspiring Wachirathan Waterfall.

Next, marvel at the architectural wonders of the Twin Royal Pagodas, Napamethanidol, and Napapolpumisiri, perched atop a high hill within Doi Inthanon National Park. These pagodas were thoughtfully crafted by the Air Force in collaboration with people from across Thailand to honor His Majesty King Bhumibol Adulyadej Rama 9's 60th anniversary in 1987 and to pay tribute to Her Majesty Queen Sirikit on her auspicious 5th birthday anniversary on August 12, 1992. The surrounding landscape is adorned with winter flower gardens and a variety of plants, creating a picturesque setting. With cool weather prevailing throughout most of the year, this spot offers panoramic views that are considered among the most beautiful viewpoints in Chiang Mai.

Lunch at the restaurant.

Venture further to Doi Inthanon, the highest peak in Thailand, soaring at an altitude of 2,565 meters above sea level. As part of the Thanon Thongchai Mountain range stretching from

the Himalayas, this area boasts abundant biodiversity and a variety of climates and forests. Tourists can experience the beauty of rainforests, pine forests, and mixed forests as they traverse different elevations. At the summit, visitors are rewarded with magnificent panoramic scenery. The cool weather, coupled with the lush beauty of the forest, serves as a magnet, attracting people from all corners of the world to come and experience the uninterrupted charm of Doi Inthanon.

Explore the Pha Dok Sieo Nature Trail, a delightful hiking trail approximately 3 kilometers long. Besides immersing in nature and witnessing various plants and the captivating waterfall, tourists can also relish the beauty of terraced rice fields in the valley at Ban Mae Klang Luang Village. Additionally, you'll have the opportunity to visit a coffee plantation and savor locally roasted and ground coffee. Immerse yourself in the culture and lifestyle of the Karen hill tribes as you explore the village, where a simple and serene way of life exists amidst the pure and beautiful surroundings.

As the day draws to a close, return to Chiang Mai, where you'll be transferred back to your hotel, cherishing the memories of this unforgettable journey through the wonders of Doi Inthanon National Park.
